Cashier Shield

Models: CS3040P, CS3236SP

Hatco's lightweight, clear, transparent Cashier Shield can help you in your effort to prevent the spread of germs and viruses at checkout registers, restaurants, pharmacies and other customer interaction areas. It acts as a physical barrier that can limit the passing of contagions at customer interaction points. Clear partitions are more important than ever. Cashier Shield can stand on it's own and does not require tools for assembly. Feet can be secured to surface using mounting screw holes if desired.

Essas barreiras e acessórios serão de fácil adaptação aos sistemas de bufê já existentes, quando projetados seguindo as normas de segurança alimentar já vigentes antes da pandemia.

Então, vamos se preparar para a reaberturas dos self-service!
